Package Contents

- Hero and Open Graph images
- High-resolution press photographs
- Album artwork and official visuals
- 15-second Official Hook, 30-second Creator Edit and full-track audio files
- Biography, Press Kit, licence, credits and track information
- Official links and contact information

Which Files Should You Use?

Social media and short-form video

Use the 15-second Official Hook or the 30-second Creator Edit. Whenever reasonably possible, tag Serkan Çağrı and identify the track in your post.

Press and editorial use

Use the approved high-resolution materials located in the 02_Press_Photos, 05_Biography and 06_Press_Kit folders.

Commercial use

Advertising, brand partnerships, film, television, paid campaigns, corporate productions and synchronisation use require prior written permission.

Essential Usage Rules

- Do not alter the assets in a misleading, defamatory or context-distorting manner.
- Do not resell the original files, redistribute them as a separate asset package or upload the music as a standalone release.
- Whenever possible, use the credit: "Music: Serkan Çağrı – Geri Dön".

- Written permission is required for AI training, voice cloning or dataset creation.
- For complete terms, read the documents in the 07_License folder.

Suggested Social Media Credit

Music: Serkan Çağrı – Geri Dön
